In general, you are required to provide the Recruiting Data, except in limited instances when we indicate that certain information is voluntary. Not providing the Recruiting Data and Sensitive Data may prevent Concentrix from carrying out recruiting and hiring activities as they relate to you and may require Concentrix to terminate your application and cease consideration of you for potential employment with Concentrix.

4. Categories of Recipients and International Transfers

You should expect that we will transfer your Recruiting Data and Sensitive Data (especially with regard to Sensitive Data only as permitted by applicable law) to third parties for the Processing Purposes as follows:

- **Within the Concentrix group:** Our parent entity, Concentrix Corporation (44111 Nobel Drive, Fremont, California 94538, USA) and each of its affiliates and subsidiaries (Concentrix Corporation and each of its affiliates and subsidiaries, including us, referred to as a "**Concentrix Affiliate**"; collectively, the "**Concentrix Group**") within the global Concentrix Group [Exhibit A- Concentrix Affiliates](#) may receive your personal data as necessary for the processing purposes set out above, in particular to conduct recruiting and hiring activities, and respond to and comply with requests and legal demands.
- **With certain acquiring or acquired entities:** If Concentrix, being the entity for which you are seeking employment, is sold or transferred in whole or in part or if the Concentrix Group is acquiring and integrating another entity into Concentrix, being the entity for which you are seeking employment, (or any similar transaction is being contemplated), your personal data will be transferred to the other entity (e.g., the new potential employer, the new acquired entity, or potential new acquired entity) prior to the

transaction (e.g., during the diligence phase) or after the transaction, subject to any rights provided by applicable law, including jurisdictions where the other entity is located.

- **With data processors:** Certain third party service providers such as IT support or HR support providers, whether affiliated or unaffiliated, will receive your personal data to process such data under appropriate instructions ("**Processors**") as necessary for the Processing Purposes, in particular to conduct recruiting and hiring activities, comply with applicable laws and employment-related requirements, and other activities. The Processors will be subject to contractual obligations to implement appropriate technical and organizational security measures to safeguard the personal data, and to process the personal data only as instructed.

Any access to your personal data is restricted to those individuals that have a need-to-know in order to fulfill their job responsibilities. Concentrix will also disclose your personal data as required or permitted by applicable law to legal or business consultants, governmental authorities and courts.

5. **International transfers**

You should expect that the recipients identified above which will receive or have access to your personal data, are located inside or outside the European Economic Area ("**EEA**").

- For recipients located outside of the EEA, some are located in countries with adequacy decisions pursuant to Art. 45 GDPR. Those recipients are located in Canada (incl. Nova Scotia) (for non-public organizations subject to the Canadian Personal Information Protection and Electronic Documents Act), and, in this case, the transfer is thereby recognized as providing an adequate level of data protection from a European data protection law perspective.
- Other recipients are located in countries which do not adduce an adequate level of protection from a European data protection law perspective (in particular, the USA), Australia, China, Colombia, Egypt, El Salvador, Honduras, India, Indonesia, Malaysia, Mauritius, Nicaragua, Philippines, Singapore, Tunisia). We will take all necessary measures to ensure that transfers out of the EEA are adequately protected as required by applicable data protection law.
 - With respect to transfers to countries not providing an adequate level of data protection, we will base the transfer on appropriate safeguards, such as standard data protection clauses adopted by the European Commission or by a supervisory authority (Art. 46(2)(c) or (d) GDPR), approved codes of conduct together with binding and enforceable commitments of the recipient (Art. 46(2)(e)), or approved certification mechanisms together with binding and enforceable commitments of the recipient (Art. 46(2)(f) GDPR). You can ask for a copy of such appropriate safeguards by contacting us as set out in Section 8 below.
 - The data transfer to Concentrix Affiliates is protected by standard data protection clauses adopted by the European Commission (Art. 46(2)(c) or (d) GDPR).
 - The data transfer to Processors which are not located in a country with other adequacy decision will typically also be protected by such standard data protection clauses.

6. **Retention Period**

Your personal data is stored by Concentrix and/or our service providers, strictly to the extent necessary for the performance of our obligations and strictly for the time necessary to achieve the purposes for which the information is collected, in accordance with applicable data protection laws. When Concentrix no longer needs to use your personal data, we will remove it from our systems and records and/or take steps to properly anonymize it so that you can no longer be identified from it (unless we need to keep your information to comply with legal or regulatory obligations to which Concentrix is subject).

In principle, we will delete your Recruiting Data and Sensitive Data 6 months after a negative hiring decision by Concentrix or after you reject an offer from Concentrix. Concentrix may retain your personal data for 2 years if you consented thereto in order to be considered for other positions at Concentrix or another company of the Concentrix Group.

If you accept an offer from Concentrix, your Recruiting Data and Sensitive Data will be retained for the duration of your employment with Concentrix.

7. Your Rights

Right to withdraw your consent: If you have declared your consent regarding certain types of processing activities, you can withdraw this consent at any time with future effect. Such a withdrawal will not affect the lawfulness of the processing prior to the consent withdrawal. You can withdraw your consent as follows DPO@Concentrix.com.

Additional data privacy rights: Pursuant to applicable data protection law, you have the right to: (i) request access to your personal data; (ii) request rectification of your personal data; (iii) request erasure of your personal data; (iv) request restriction of processing of your personal data; (v) request data portability; and/or (vi) object to the processing of your personal data. - **Right to request access to your personal data:** As provided by applicable data protection law, you have the right to obtain from us confirmation as to whether or not personal data concerning you is processed, and, where that is the case, to request access to the personal data. The access information includes – inter alia – the purposes of the processing, the categories of personal data concerned, and the recipients or categories of recipients to whom the personal data have been or will be disclosed. However, this is not an absolute right and the interests of other individuals may restrict your right of access. You also have the right to obtain a copy of the personal data undergoing processing free of charge. For further copies requested by you, we may charge a reasonable fee based on administrative costs.
- **Right to request rectification:** As provided by applicable data protection law, you have the right to obtain from us the rectification of inaccurate personal data concerning you. Depending on the purposes of the processing, you have the right to have incomplete personal data completed, including by means of providing a supplementary statement.
- **Right to request erasure (right to be forgotten):** As provided by applicable data protection law, you have the right to obtain from us the erasure of personal data concerning you and we may be obliged to erase such personal data.
- **Right to request restriction of processing:** As provided by applicable data protection law, you have the right to obtain from us and we may be obliged to we restrict the processing of your personal data. In this case, the respective data will be marked and may only be processed by us for certain purposes. As Concentrix processes and uses your personal data primarily for purposes of carrying out the (pre-) contractual recruitment relationship with you, Concentrix will in principle have a legitimate interest for the processing which will override your restriction request, unless the restriction request relates to marketing activities.
- **Right to request data portability:** As provided by applicable data protection law, you have the right to receive the personal data concerning you, which you have provided to us, in a structured, commonly used and machine-readable format and you may have the right to transmit those personal data to another entity without hindrance from us, where the processing is carried out by automated means and is based on consent pursuant to Art. 6(1)(a) GDPR or Art. 9(2)(a) GDPR or on a contract pursuant to Art. 6(1)(b) GDPR.
- **Right to object:**

Under certain circumstances, you have the right to object, on grounds relating to your particular situation, at any time to the processing of your personal data by us and we are required to no longer process your personal data.

If you have a right to object and if you exercise this right, your personal data will no longer be processed for such purposes by us. You may exercise this right by contacting us as stated in Section 8 below.

Such a right to object may, in particular, not exist if the processing of your personal data is necessary to take steps during the hiring process.

To exercise your rights please contact us as stated in Section 8 below.

You also have the right to lodge a complaint with the competent data protection supervisory authority in the relevant Member State (e.g., the place where you reside or of an alleged infringement of the GDPR).
