

SAP SuccessFactors

A Cloud-Based HR Management System

At Concentrix, we provide integrated technology and services that power the world's best brands today and into the future. We're the Systems, Applications, and Products (SAP) experts who combine operational excellence and cutting-edge automation to power your day-to-day operations. By acting as a seamless extension of your business, we deliver efficiency and effectiveness where it really counts. All from one partner.

SAP SuccessFactors

SAP SuccessFactors is a leading cloud-based Human Capital Management (HCM) suite that helps organizations optimize their workforces, enhance productivity, and drive business results. SAP SuccessFactors offers a unified solution for talent that includes areas such as recruitment, hiring, and onboarding. We also offer performance and goals, training, compensation and succession, and development. As a leader in the talent management space, only SAP SuccessFactors offers a complete solution for all related processes from hiring to retirement.
